- Saturday

- 9:00 – 11:00 pm - Each contestant will be interviewed (sequence drawn by lot) by the Judges. Questions will be asked about experience, feelings, beliefs within the Leather community, and an overall opportunity for the Judges to get to know the contestant.

- 10:30 pm - "**Leather Wear**". Contestant Introduction. Each contestant will be introduced to the audience. Initial dress is leather-wear.

- 11:30 pm - "**Skin-wear**". Each contestant will have an opportunity to show off their "best assets". Remember, this is a public event, so choice of clothing must be appropriate and "tasteful" within the context of the leather community at large and public.

- 12:00 am - "**Cowboy Wear**". Each contestant will have the opportunity to show off their best "cowboy wear". We're looking for the best "All American Cowboy" appearance. Image and believability are important.

- 1:30 am - Announcement of results and presentations. Contestants can appear in whatever attire is most comfortable and appropriate to the contestant.
